## **The Best Kind of Forever**

Aeris Relera has always drawn the short end of the stick in life—a self-absorbed ex, neglectful parents, and a past that continues to haunt her. When she's down on her luck one night, a mysterious knight in shining armor—or more realistically, a knight in hockey shoulder pads—saves her from a few too many tequila shots. Hayes Hollings' checkered past refuses to stay very far behind him, and his mistakes are even more catastrophic when they're broadcasted to the whole world. Being a disgraced NHL player isn't good for his love life or his reputation. Determined to get into the public's good graces, Hayes constructs a devious plan to rebrand his image as a doting boyfriend. Aeris has grown to accept that she's not destined for what love has to offer, but when Hayes rewrites her fate, she's thrown into an internal battle that has her stretched between giving love a shot or keeping her distance from the Riverside Reapers' biggest playboy. Hayes might seem like the perfect guy to help Aeris learn how to love again, but little does she know that he's harboring a secret big enough to ruin her completely. Will love prevail between two polar opposites, or will fatal lies break these two apart?

## **Among the Beasts & Briars**

Ashley Poston, acclaimed author of *Heart of Iron*, returns with a dark, lush fairy tale–inspired fantasy for fans of Sara Raasch and Susan Dennard. Cerys is safe in the Kingdom of Aloriya. Here there are no droughts, disease, or famine, and peace is everlasting. It has been this way for hundreds of years, since the first king made a bargain with the Lady who ruled the forest that borders the kingdom. But as Aloriya prospered, the woods grew dark, cursed, and forbidden. Cerys knows this all too well: When she was young, she barely escaped as the woods killed her friends and her mother. Now Cerys carries a small bit of the curse—the magic—in her blood, a reminder of the day she lost everything. As a new queen is crowned, however, things long hidden in the woods descend on the kingdom itself. Cerys is forced on the run, her only companions a small and irritating fox from the royal garden and the magic in her veins. It's up to her to find the legendary Lady of the Wilds and beg for a way to save her home. But the road is darker and more dangerous than she knows, and as secrets from the past are uncovered amid the teeth and roots of the forest, it's going to take everything she has just to survive.

## **Dare You to Hate Me**

From the fan-favorite author of *Underneath the Sycamore Tree* comes the first in a raw, real romance series following the lives of the Lindon U football players and the complicated girls who change their lives forever. When Ivy asked her best friend to run away with her at sixteen, she knew he'd say no. He had football, an amazing family, and a happy home to go back to every day. So the night Ivy snuck out of his bedroom window after hugging him goodbye, she accepted she'd probably never see him again. Then they both wound up at Lindon University four years later. Ivy is barely picking up the pieces of her life when the boy whose initials she used to doodle hearts around approaches her at work. Aiden Griffith. Lindon U's star tight end. Still as attractive. Still as dedicated. With rumors of him being drafted to the NFL coming to fruition, Ivy knows it's only a matter of time before they have to say goodbye again. But he can't seem to let her go, no matter what she says, and she doesn't think she wants him to.

## **Believing Cassandra**

## **Hustle**

South Eastern University: Where the football players are royalty and Andrew Fayden is king. College was supposed to be Brook's chance to escape the rumors and the harassment that plagued her at home, but she hadn't planned on meeting Andrew Fayden. Now, she's finding it hard to think of anything or anyone else. She's determined to wipe him from her mind though, because he is the definition of unavailable. He's got an on and off again girlfriend always on the sidelines and a flood of girls willing to take over that position. And his popularity makes it hard to keep a low profile, something she needs to do if she doesn't want to be pulled back into the drama of her past. Despite all the warnings, she's finding it hard to resist--and he's making it hard to say no.

## **Unbroken Promises**

When we were kids, we made all kinds of promises. We promised to always be best friends, to always put each other first, and that no matter what, no one would come between us. Little did we know that life had its own plans. We grew up and reality set in. We realized that not all love lasts forever, and some promises are meant to be broken. It's ironic that the promises we made as kids, the ones we thought would hold us together, might just be the very thing that could tear us apart.

## **Without a Trace**

For genealogist Sarah Montague, finding an adoptee's natural parents, even with few clues, was routine. But in Michael De Lorio's case, the only clue was the terrifying nightmare that had haunted him all his life--a nightmare that he feared might be a memory of a terror that was all too real. Even so, Michael had never dreamed that his search for the truth could lead to danger. But as he and Sarah delved deeper into his past they were threatened at every turn. Shared dangers gave them a common goal--survival. And their only hope for life--and love--was to rebury the past and disappear without a trace.

## **Blood to Dust**

## **Crowned Crows of Thorne Point**

'One of our most brilliant contemporary thinkers' Claudia Rankine 'An unrelenting exploration of slavery and freedom' New Yorker In this radical re-evaluation of American history, Saidiya Hartman draws together a striking portrait of nineteenth-century slavery and its many afterlives. Through close examination of a variety of 'scenes', ranging from the auction block and the minstrel show to plantation diaries and legal cases, Scenes of Subjection investigates the interconnected nature of historical enslavement and present-day racism. With bold and persuasively argued possibilities for Black resistance and transformation, this book shows how far we have yet to go to dismantle the pervasive legacy of slavery.

## **Scenes of Subjection**

One of the great enigmas of humanity is why we have such a devastating capacity for evil as well as such an enormous ability to do good. What makes some people commit violent harm, while others risk their lives to help those they may not even know? Now, to explore and navigate this essential question of human behavior, the editors at TIME bring you the special edition 'The Science of Good and Evil.' You'll examine "The Roots of Good and Evil," and consider the capacity for morality in animals. Then consider "What Makes Us Moral" by looking at the seemingly innate moral compass of human children and the role that nurturing plays in developing it. Follow modern neuroscience deep into the brain to see what it can tell us about where

good and evil behavior might reside and what role genuine love plays in their development. Through it all, visit and analyze tales of senseless acts of violence and the profound acts of selflessness that occur in their wake. As destructive technologies and artificial intelligence continue to develop and strengthen, there has never been a more important time to understand the nature of our capacity for good and evil.

*\*A 2019 Rainbow Book List Selection\** An action-packed tale full of romance, royalty, and adventure, inspired by the story of Anastasia. Perfect for fans of *Six of Crows*, *Cinder*, and the cult classic television show *Firefly*. Seventeen-year-old Ana is a scoundrel by nurture and an outlaw by nature. Found as a child drifting through space with a sentient android called D09, Ana was saved by a fearsome space captain and the grizzled crew she now calls family. But D09—one of the last remaining illegal Metals—has been glitching, and Ana will stop at nothing to find a way to fix him. Ana's desperate effort to save D09 leads her on a quest to steal the coordinates to a lost ship that could offer all the answers. But at the last moment, a spoiled Ironblood boy beats Ana to her prize. He has his own reasons for taking the coordinates, and he doesn't care what he'll sacrifice to keep them. When everything goes wrong, she and the Ironblood end up as fugitives on the run. Now their entire kingdom is after them—and the coordinates—and not everyone wants them captured alive. What they find in a lost corner of the universe will change all their lives—and unearth dangerous secrets. But when a darkness from Ana's past returns, she must face an impossible choice: does she protect a kingdom that wants her dead or save the Metal boy she loves?

Stockholm syndrome or Love? When you want someone completely wrong for you... Luke Whitford has always dreamed of meeting Mr. Right. A hopeless romantic at heart, he dreams of falling in love with a nice man, getting married, and having a bunch of adorable babies. The problem is, Luke has the propensity for

being attracted to men who are anything but nice. Roman Demidov, a homophobic, cynical billionaire who has a grudge against Luke's father, is certainly not Mr. Right. Cold, manipulative, and ruthless, he's not a nice man and he doesn't pretend to be. Luke is fully aware that Roman is all wrong for him. His attraction to the guy is just some sort of Stockholm syndrome; it must be. If life were a fairy tale, Roman would be the main villain, not the hero. But even villains can fall in love. Or can they?

## **Just a Bit Ruthless**

Nothing prepares you for finding your sister's lifeless body covered in blood. But when the police arrest her ex, a man I know is innocent, I can't sit by and do nothing. Not when I've been secretly in love with him for years. Heath may not want my help, but I won't take no for an answer. To catch a killer, I'm forced to take a job at Saint View Prison. Maximum security. The place they send the worst of the worst. But it's not just Heath who doesn't want me there. Rowe, the sinfully sexy head guard has made it clear I don't belong. I'd tell him where to go with my middle finger up, if my skin didn't prickle with awareness every time he touches me. And then there's Liam, hotshot lawyer and my old high school enemy. All that tension and chemistry is still there, burning between us like flames. I need his help, but I'll be damned if I beg for it. With every lie we uncover, every secret we expose, the danger mounts. Until there's only one thing we know for sure. The killer is still out there. And I'm his next target. *Locked Up Liars* is an adult, #whychoose romance, meaning the main character has more than one love interest. ## **Locked Up Liars**

The occasion for this poetic meditation is a colorless quartz crystal sitting upon the writer's desk. The crystal is as still and irreducible as a death's head in St. Jerome's study or Cezanne's studio. But what would the crystal reveal, if it could speak? How might the issue of its presence be brought into language? The poet of *The Crystal Text*, by means of a rare stamina of attention and listening vulnerability, seeks to become the medium of the crystal's transmissions. Like many other Coolidge works, *The Crystal Text* sounds the depths of a visionary excavation of present being. Faced daily, Coolidge's quest is to know anything, to write everything. And what is revealed here in the glancing light of his language's mineral beauty is the writing mind itself. Its precision, its weights and measures, its peerless word choice and shutter speed all combine in passages of inspired momentum to bring the reader cognitions of a unique and exemplary kind.

## **The Crystal Text**

An Entertainment Weekly Top 10 Romance of 2018! I'm not a good man, and I've never pretended to be. I don't believe in goodness or God or any happy ending that isn't paid for in advance. In fact, I've got my own personal holy trinity: in the name of money, sex, and Macallan 18, amen. So when the gorgeous, brilliant Zenny Iverson asks me to teach her about sex, I want to say yes, I really do. Unfortunately, there are several reasons to say no--reasons that even a very bad man like myself can't ignore. 1. She's my best friend's little sister. 2. She's too young for me. Like way too young. 3. She's a nun. Or about to be anyway. But I want her. I want her even with my best friend and God in the way, I want to teach her and touch her and love her, and I know that makes me something much worse than a very bad man. It makes me a sinner. And it's those very sins that are about to save me... \*\*\*Sinner is a standalone companion to *Priest* about Father Bell's brother Sean. You do not have to read *Priest* or *Midnight Mass* to read *Sinner*\*\*\*

"An alchemical mix of Borges, Raymond Chandler and Buffy the Vampire Slayer."--Salon.com (Best of the Year) "A delightful collection."--Cleveland Plain Dealer "My favorite fantasy writer."--Alan Cheuse, *All Things Considered* "Link's stories defy explanation, or at least, brief summary, instead working on the plane between dream and cognitive dissonance. They are true to themselves: witty, beautiful, funny, and startling."--Rain Taxi "Link uses the nonsensical to illuminate truth, blurring the distinctions between the mundane and the fantastic to tease out the underlying meanings of modern life."--Booklist "The 11 fantasies in this first collection from rising star Link are so quirky and exuberantly imagined that one is easily distracted from their surprisingly serious underpinnings of private pain and emotional estrangement." -- Publishers Weekly Kelly Link's collection of stories, *Stranger Things Happen*, really scores. --Daniel Mendelsohn, *New York Magazine* "A tremendously appealing book, and lovers of short fiction should fall over themselves getting out the door to find a copy." --Washington Post Book World "Stylistic pyrotechnics light up a bizarre but emotionally truthful landscape. Link's a writer to watch." --Kirkus Reviews "A set of stories that are by turns dazzling, funny, scary, and sexy, but only when they're not all of these at once. Kelly Link has strangeness, charm and spin to spare. Writers better than this don't happen." --Karen Joy Fowler "Kelly Link is probably the best short story writer currently out there, in any genre or none. She puts one word after another and makes real magic with them-funny, moving, tender, brave and dangerous. She is unique, and should be declared a national treasure, and possibly surrounded at all times by a cordon of armed marines." --Neil Gaiman "Kelly Link is the exact best and strangest and funniest short story writer on earth that you have never heard of at the exact moment you are reading these words and making them slightly inexact. Now pay for the book." --Jonathan Lethem The eleven stories in Kelly Link's debut collection are funny, spooky, and smart. They all have happy endings. They were all especially written for you. A Best of the Year pick from Salon.com, Locus, The Village Voice, and San Francisco Chronicle. Includes Nebula, World Fantasy, and Tiptree award-winning stories. Kelly Link is the author of three collections of short fiction *Stranger Things Happen*, *Magic for Beginners*, and *Pretty Monsters*. Her short stories have won three Nebula, a Hugo, and a World Fantasy Award. She was born in Miami, Florida, and once won a free trip around the world by answering the question "Why do you want to go through the world?" ("Because you can't go through it.") Link lives in Northampton, Massachusetts, where she and her husband, Gavin J. Grant, run Small Beer Press, co-edit the fantasy half of *The Year's Best Fantasy and Horror*, and play ping-pong. In 1996 they started the occasional zine *Lady Churchill's Rosebud Wristlet*.

### **Letters from Iceland**

In Ireland the humble hare has been the subject of great controversy. After years of an abusive sport, which resulted in its child-like death screams being heard regularly throughout Ireland, a result was achieved. For those few dedicated people trying desperately to save the gentle creature from the horrors of the cruel sport of hare coursing, the struggle was painful and fought against great odds. Author, John Fitzgerald, writes about his experience of a campaign against this barbaric blood sport, focusing mainly on a controversial phase in the 1980s when the State deployed a police heavy gang to suppress anti-coursing activism. The author's own peaceful and non-violent action and that of, initially, a few others did arouse the public and achieve what at first appeared to be a hard-won benefit to the hare. But the hare's troubles were - and are - far from over. Though it can no longer be torn apart by greyhounds, now muzzled, it can still be mauled, injured, and tossed about like a rag doll on the coursing field. In addition to highlighting the hare's sad plight, this is also a campaigner's story. The author recounts vividly the ups and downs of his own fight against animal cruelty. He and others paid a major price for their role in the campaign. The gentle hare, apart from its use and abuse in coursing, has now become an endangered species in Ireland, and this book reinforces its right to be protected.

Now, thought dead by most of the galaxy after she escaped from the dark AI program called the HIVE, Ana is desperate for a way to save Di from the HIVE's evil clutches and take back her kingdom. Ana's only option is to find Starbright, the one person who hacked into the HIVE and lived to tell the tale. But when Ana's desperation costs the crew of the *Dossier* a terrible price, Ana and her friends are sent spiraling through the most perilous reaches of the Iron Kingdom to stop the true arbiter of evil in her world: an ancient world-ending deity called the Great Dark. Their journey will take their sharp-witted pilot, Jax, to the home he never wanted to return to and the dangerous fate he left behind. And when Robb finds out who Jax really is, he must contend with his own

feelings for the boy he barely knows, and question whether he truly belongs with this group of outcasts. When facing the worst odds, can Ana and her crew of misfits find a way to stop the Great Dark once and for all?

## **TIME the Science of Emotions**

When a hockey princess jokingly hits up the NHL's biggest star to crash her ex-boyfriend's wedding, she's surprised when he accepts-but she's even more surprised when they fall for each other.

## **Honoré de Balzac**

Sadie Becker is not herself. A 40-year-old, divorced mother of two, Sadie wakes up one morning and realizes that she looks and feels like she did in her twenties. Suddenly she's unable to walk around in her new town of Cougarville without men falling at her feet. Confused and alone, Sadie isn't sure who to turn to...except answers to her problems might reside with her broodingly handsome reclusive neighbor, Mathis. An alpha shifter, Mathis lost the love of his life, and he knows he'll never find another mate. But his innocent new neighbor clearly doesn't know the danger she's in, and he's the only one who can save her. But when the attraction pulls too strong, will Mathis' animal nature be unleashed and claim Sadie for his own? Evangeline Anderson's *Buck Naked* is a sexy, emotional thrill-ride that will hook readers on this fantastic new series.

## **SINISTER STREET,**

From ancient drawings to the genius of Leonardo and Einstein to the imagination that colors our everyday life: the drive to create, innovate and make something new is a big part of what makes us human. Explore this and more in this new special edition from TIME, *The Science of Creativity*.

## **Soul of Stars**

When he falls, he falls hard. Millie Baylin just moved to a new city to start college. Introverted and studious, she plans on spending most of her time holed up in the library working on her novel and keeping to herself. But when she gets dragged along to a school football game by her fun, football-mad new roommate, the hot alpha quarterback almost drops the ball at his very first sight of her. Bo McCabe is saving himself. A hopeless romantic at heart, he's holding out for the real thing. As soon as he lays eyes on the shy stranger with the striking gray eyes and the angel's face, he'll stop at nothing to find out if she's the one he's been waiting for all along. Millie thinks Bo's insta-obsession is insanity and wants nothing to do with him. But Bo is determined. Because, somehow, Millie has already stolen his heart ... and he is now utterly obsessed with winning hers. Can Bo convince Millie he's the man of her dreams? *Hopeless Romantic* is a sexy standalone novella, starring an obsessed hero and the love of his life (includes three hopelessly romantic HEA epilogues!). This book is a tribute to love at first sight and insta-everything (because it happened to me :). Book #1 in the McCabe Brothers series
