"A refreshingly modern and surprisingly poignant take on the Hades and Persephone myth . . . steamy, often laugh-out-loud funny, and emotional."—Jennifer L. Armentrout, #1 New York Times bestselling author of *From Blood and Ash* "It is natural for a King to be curious about his future Queen. . . ." All of Olympus—and the Underworld—are talking about the God of the Dead and the sprightly daughter of Demeter. But despite the rumors of their romance, Hades and Persephone have plenty to navigate on their own. Since coming to Olympus, Persephone has struggled to be the perfect maiden goddess. Her attraction to Hades has only complicated the intense burden of the gods' expectations. And after Apollo's assault, Persephone fears she can no longer bury the intense feelings of hurt and love that she's worked so hard to hide. As Persephone contemplates her future, Hades struggles with his past, falling back into toxic habits in

Minthe's easy embrace. With all the mounting pressure and expectations—of their family, friends, and enemies—both Hades and Persephone tell themselves to deny their deepest desires, but the pull between them is too tempting, too magnetic. It's fate. This edition of Smythe's original Eisner-winning webcomic Lore Olympus brings Greek mythology into the modern age in a sharply perceptive and romantic graphic novel. This volume collects episodes 50–75 of the #1 WEBTOON comic Lore Olympus.

This full-color edition of Smythe's original Eisner-nominated webcomic Lore Olympus features a brand-new, exclusive short story, and brings Greek mythology into the modern age in a sharply perceptive and romantic graphic novel. Lore Olympus: Volume Three

Hades and Persephone's love-struck misadventures. The classic tale of Greek mythology, but 100% more awkwardly relatable. Hades is the officious, antisocial ruler of the Underworld; Persephone, daughter of Demeter, is an earth goddess of growth and renewal - they've been crushing on each other for the past two centuries. But when a festival (and a little liquid courage) present an opportunity to put an end to their olympian will-they-won't-they, a meddlesome pantheon and several titanic misassumptions threaten to give every god in the sky the wrong impression... and leave their romance dead before it can bloom.

Punderworld, Volume 1

"Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger. Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist. After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows-a love that is both captivating and forbidden"--

A Touch of Darkness

According to the ancient legend, the Lord of the Dead kidnapped the innocent daughter of Demeter--or did he? The truth is, Persephone is no damsel in distress, but a spirited young lady with an overbearing mother. A failed scheme by Apollo leads Persephone to a chance encounter with the mysterious and handsome Hades, who is struck by love's arrow. Now Hades must wrestle with his aching heart before he loses total control of his feelings, but desire is raging inside Persephone herself.

Persephone: Hades' Torment

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.

The Beginning After The End

A deadly race across 1,001 planets will determine more than just the fate of the empire. This explosive first book in a duology jam-packed with tension and thrills is perfect for fans of *The Hunger Games*, *Aurora Rising*, and *Three Dark Crowns*. Alyssa Farshot has spent her whole life trying to outrun her family legacy, even leaving behind the Kingship and her uncle, the emperor, for a life of exploring. But when her dying uncle announces a crownchase—a search for the royal seal hidden in the empire that will determine the next ruler—Alyssa is thrust into her greatest, most dangerous adventure yet.

Crownchasers

Persephone's life has been one of leisure among the verdant fields: the maiden of flowers, sheltered by her mother, the Harvest Goddess Demeter. Now she is a woman, a goddess in her own right, yearning for freedom- even as the terms of an ancient pact are about to come due. Hades's life has been one of solitude in the somber land of the dead: for millennia he has served as the God of the Underworld, living without attachments, eternally governing the souls of mortals. But he dreams of the young goddess who was promised to be his wife, and knows it is time for his Kingdom to have a Queen. When Hades arrives to claim his betrothed, he finds a young goddess eager to unearth her divine potential- and a powerful mother unwilling to let go. Receiver of Many begins an erotic story of passion and possession, duty and desire, and a struggle that threatens both ancient Greece and the Realm of the Dead itself.

Hades And Persephone: Curse Of The Golden Arrow

Witness what the gods do after dark in the fourth volume of a stylish and contemporary reimagining of one of the best-known stories in Greek mythology, featuring exclusive behind-the-scenes content from creator Rachel Smythe “I don’t always get to do as I please.” The rumor mill of Olympus is constantly churning, but Persephone and Hades are all anyone can talk about. With the constant gossip creating intense pressure on the pair, they decide to slow down their budding romance and focus on sorting out their own issues first. But that’s easier said than done. Hades struggles to find support in his personal life, with Zeus trivializing his feelings and Minthe resorting to abusive patterns in their relationship. And while Hades tries to create healthier boundaries where he can—like finally putting a stop to his sporadic, revenge-fueled hookups with Hera—he still feels lonely and adrift. Persephone feels equally ostracized as her classmates shun her for her connection to Hades, and she can find no refuge at home, with Apollo constantly dropping by unannounced and pushing his unwelcome advances. And on top of it all, the wrathful god of war, Ares, has returned to Olympus to dredge up his sordid history with the goddess of spring, threatening to surface Persephone’s dark and mysterious past and ruin her tenuous position in the land of the gods. Despite agreeing to take it slow, Persephone and Hades find themselves inextricably drawn toward each other once more amid the chaos. The pull of fate cannot be denied. This edition of Rachel Smythe’s original Eisner-nominated webcomic Lore Olympus features exclusive behind-the-scenes content and brings the Greek pantheon into the modern age in a sharply perceptive and romantic graphic novel. This volume collects episodes 76–102 of the #1 WEBTOON comic Lore Olympus.

"A must-have book for today's quiet warriors." —Susan Cain, New York Times bestselling author of Quiet and Quiet Power and cofounder of Quiet Revolution How does a self-described "extreme introvert" thrive in a world where extroverts are rewarded and social institutions are set up in their favor? Using her extraordinary personal story as a "case study of one," author Jill Chang shows that introverts hold tremendous untapped potential for success. Chang describes how she succeeded internationally in fields that

are filled with extroverts, including as an agent for Major League Baseball players, a manager of a team across more than twenty countries, and a leading figure in international philanthropy. Instead of changing herself to fit an extroverted mold, she learned to embrace her introversion, turning it from a disadvantage to the reason she was able to accomplish great goals and excel in tasks that her extroverted peers missed. She offers advice on the best jobs for introverts, overcoming the additional difficulties language and cultural barriers can present, thriving at social events and business presentations, leveraging the special leadership traits of introverts, and much more. Part memoir and part career guide, this book gives introverts the tools to understand how they can form relationships, advance in the career path, excel in cross-cultural workplaces, and navigate extroverted settings without compromising comfort or personality.

Accidentally Perfect

Scandalous gossip, wild parties, and forbidden love—the Greek tale of Hades and Persephone gets a romantic modern update in the gorgeously illustrated, Eisner Award-winning *Lore Olympus*, including a brand new bonus short story! “You have no authority here.” Revelations rock Olympus as Persephone’s trial ends, threatening to throw the gods into a new war. Though Persephone and Hades become closer than ever after she opens up to him about all she has endured, their peace is shattered when another truth is revealed: Apollo is Zeus’s son. The announcement shocks the pantheon, and the king of the gods realizes that the would-be usurper wants Persephone’s power to take the throne. Zeus banishes Persephone to the Mortal Realm and, out of fear, cuts it off entirely from the rest of the gods. This decree succeeds in undercutting Apollo’s plan, but also inadvertently begins a decade-long divine cold war when Hades strikes back by shuttering the Underworld. With the gods scattered and weakened, Kronos uses the ensuing bedlam to finally escape his imprisonment and begin staging his own coup. Persephone has only one choice when she discovers all the realms on the verge of collapse: Descend into the Underworld to try to defeat the power-hungry Titan, claim her rightful place as queen, and reunite with her one true love. This edition of Smythe’s original Eisner Award-winning webcomic *Lore Olympus* features a brand-new, exclusive short story from creator Rachel Smythe and brings the Greek pantheon into the modern age in a sharply perceptive and romantic graphic novel. This volume collects episodes 180–206 of the #1 WEBTOON comic *Lore Olympus*.

Graevale

Witness what the gods do after dark in the fourth volume of a stylish and contemporary reimagining of one of the best-known stories in Greek mythology from creator Rachel Smythe. "I don't always get to do as I please." The rumor mill of Olympus is constantly churning, but Persephone and Hades are all anyone can talk about. With the constant gossip creating intense pressure on the pair, they decide to slow down their budding romance and focus on sorting out their own issues first. But that's easier said than done. Hades struggles to find support in his personal life, with Zeus trivializing his feelings and Minthe resorting to abusive patterns in their relationship. And while Hades tries to create healthier boundaries where he can-like finally putting a stop to his sporadic, revenge-fueled hookups with Hera-he still feels lonely and adrift. Persephone feels equally ostracized as her classmates shun her for her connection to Hades, and she can find no refuge at home, with Apollo constantly dropping by unannounced and pushing his unwelcome advances. And on top of it all, the wrathful god of war, Ares, has returned to Olympus to dredge up his sordid history with the goddess of spring, threatening to surface Persephone's dark and mysterious past and ruin her tenuous position in the land of the gods. Despite agreeing to take it slow, Persephone and Hades find themselves inextricably drawn toward each other once more amid the chaos. The pull of fate cannot be denied. This edition of Rachel Smythe's original Eisner-winning webcomic Lore Olympus features exclusive behind-the-scenes content and brings the Greek pantheon into the modern age in a sharply perceptive and romantic graphic novel. This volume collects episodes 76-102 of the #1 WEBTOON comic Lore Olympus.
