Boy @ the Window

As a preteen Black male growing up in Mount Vernon, New York, there were a series of moments, incidents and wounds that caused me to retreat inward in despair and escape into a world of imagination. For five years I protected my family secrets from authority figures, affluent Whites and middle class Blacks while attending an unforgiving gifted-track magnet school program that itself was embroiled in suburban drama. It was my imagination that shielded me from the slights of others, that enabled my survival and academic success. It took everything I had to get myself into college and out to Pittsburgh, but more was in store before I could finally begin to break from my past. *"Boy @ The Window"* is a coming-of-age story about the universal search for understanding on how any one of us becomes the person they are despite-or because of-the odds. It's a memoir intertwined with my own search for redemption, trust, love, success-for a life worth living. *"Boy @ The Window"* is about one of the most important lessons of all: what it takes to overcome inhumanity in order to become whole and human again.

The Consolations of Theology

Inspired by Alain de Botton's bestselling *Consolations of Philosophy*, this volume shows how theology can be of practical value to every believer. The great theologians in the history of the church have always found that theology affords genuine comfort in the face of life's difficulties. In *The Consolations of Theology* Brian Rosner and other practical theologians present a compelling blend of biography and theology that profoundly addresses the perennial human problems of anger, obsession, despair, anxiety, disappointment, and pain. Not Dead Yet

Phil Collins pulls no punches—about himself, his life, or the ecstasy and heartbreak that's inspired his music. In his much-awaited memoir, *Not Dead Yet*, he tells the story of his epic career, with an auspicious debut at age 11 in a crowd shot from the Beatles' legendary film *A Hard Day's Night*. A drummer since almost before he could walk, Collins received on the job training in the seedy, thrilling bars and clubs of 1960s swinging London before finally landing the drum seat in Genesis. Soon, he would step into the spotlight on vocals after the departure of Peter Gabriel and begin to stockpile the songs that would rocket him to international fame with the release of *Face Value* and "In the Air Tonight." Whether he's recalling jamming with Eric Clapton and Robert Plant, pulling together a big band fronted by Tony Bennett, or writing the music for Disney's smash-hit animated *Tarzan*, Collins's storytelling chops never waver. And of course he answers the pressing question on everyone's mind: just what does "Sussudio" mean? *Not Dead Yet* is Phil Collins's candid, witty, unvarnished story of the songs and shows, the hits and pans, his marriages and divorces, the ascents to the top of the charts and into the tabloid headlines. As one of only three musicians to sell 100 million records both in a group and as a solo artist, Collins breathes rare air, but has never lost his touch at crafting songs from the heart that touch listeners around the globe. That same touch is on magnificent display here,

especially as he unfolds his harrowing descent into darkness after his “official” retirement in 2007, and the profound, enduring love that helped save him. This is Phil Collins as you’ve always known him, but also as you’ve never heard him before.

White Man, Black Man, Chinese Man

When Petey Winthorp, Ashe Blackwell, and Sokko Chung enter the United Friends Nursing and Rehabilitation Center in Washington, D.C., they cause a small stir. This trio of forty-five-year-old, lifelong friends is not only recuperating together after a car accident, but one is white, one is black, and one is Chinese. During their rehabilitation, the men entertain the staff with their stories of growing up together as best friends playing schoolyard games, competing in sports, chasing girls, getting in trouble, attending prom, graduating, and obtaining their first cars and houses. But more importantly, they share how their friendship endured while facing discrimination, racism, and stereotyping fueled by their unique relationship. *White Man, Black Man, Chinese Man* chronicles the unique and inspiring relationship of Winthorp, Blackwell, and Chung. It provides a glimpse into real-life situations of race, morals, and multiculturalism, and it reveals true insights about the power of racism and the human ability to overcome it.

Generational IQ for the Workplace and Home Collection

This collection bundles 2 of popular author Haydn Shaw’s books together in one e-book, for a great value! *Sticking Points* This is the first time in American history that we have had four different generations working side-by-side in the workplace: the Traditionalists (born before 1945), the Baby Boomers (born 1945-1964), Gen X (born 1965-1980), and the Millennials (born 1981-2001). Haydn Shaw, popular business speaker and generational expert, has identified 12 places where the 4 generations typically come apart in the workplace

(and in life as well). These sticking points revolve around differing attitudes toward managing one's own time, texting, social media, organizational structure, and of course, clothing preferences. If we don't learn to work together and stick together around these 12 sticking points, then we'll be wasting a lot of time fighting each other instead of enjoying a friendly and productive team. Sticking Points is a must-read book that will help you understand the generational differences you encounter while teaching how we can learn to speak one another's language and get better results together. Generational IQ Why is my daughter drifting from God? Why can't I explain my life choices to my parents? When will my son get a real job? Within the last several decades, the world has shifted dramatically. The cracks of this fundamental shift appear everywhere: in our economy, in our cultural debates, in our political landscape, and, most important, in our churches. The problem is we tend to overreact to these changes, fearing that Christianity is dying. We need better Generational IQ, so we can respond to the changes but not be terrified by them. We need a wise generational coach. Haydn Shaw is that generational expert, showing us the roots of this generational shift and how it affects every one of us. Each generation, whether it's the aging Boomers or the young Millennials, approaches God with a different set of questions and needs based on the times in which they grew up. Haydn walks you through these generational differences and paints a vision of hope for the future.

Sticking Points

Updated with new findings on Gen Z! With five generations in the workplace at once, there's bound to be some sticking points. This is the first time in American history that we have five different generations working side-by-side in the workplace: the Traditionalists (born before 1945), the Baby Boomers (born 1946-1964), Gen X (born between 1965-1980), Millennials (born 1981-2001) and Gen Z (born 1996-present). Haydn Shaw, popular business speaker and generational expert, has identified 12 places where the 5 generations typically come apart in the workplace (and in life as well). These sticking points revolve around differing attitudes toward managing one's own time, texting, social media, organizational structure, and of course, clothing preferences. If we don't learn to work together and stick together around these 12 sticking points, then we'll be wasting a lot of time fighting each other instead of enjoying a friendly and productive team. Life has a Song for Everyone

What if life and love are throwing the same nightmares of the past at you over and over again? They suck! Don't they? Or is it the case that we've misinterpreted what love and life really stand for? Till reaching the twenties, we all have survived something back in our pasts. Arvind and Sonali are no different. They find each other in their second year of engineering. Arvind confesses his love to Sonali. Although confused and not a firm believer in love, Sonali doesn't reject, instead decides to be friends first. With time, their friendship and bonding bloom more. That's when life introduces Smitha into their skit, turning the tables in a way in which no one has ever imagined, making their lives a complete mess. Growing with confusion and complications, the three of them tangle in between the plays of love and life. From loving love to hating it, from believing in life to blaming it, will they ever unravel from this chaos? Will they ever find a meaning?

Or will a meaning find them and blossom their lives forever? Let's find out.

Rock in the Musical Theatre

Today's musical theatre world rocks. Now that rock 'n' roll music and its offshoots, including pop, hard rock, rap, r&b, funk, folk, and world-pop music, are the standard language of musical theatre, theatre singers need a source of information on these styles, their origins, and their performance practices. *Rock in the Musical Theatre: A Guide for Singers* fills this need. Today's musical theatre training programs are now including rock music in their coursework and rock songs and musicals in their repertoires. This is a text for those trainees, courses, and productions. It will also be of great value to working professionals, teachers, music directors, and coaches less familiar with rock styles, or who want to improve their rock-related skills. The author, an experienced music director, vocal coach, and university professor, and an acknowledged expert on rock music in the theatre, examines the many aspects of performing rock music in the theatre and offers practical advice through a combination of aesthetic and theoretical study, extensive discussions of musical, vocal, and acting techniques, and chronicles of coaching sessions. The book also includes advice from working actors, casting directors, and music directors who specialize in rock music for the stage.

Often unnoticed by many women, 'perimenopause\' is defined by the Mayo Clinic as the time when a woman's body begins its transition into menopause. In America, eighty percent of women will experience some negative perimenopausal signs and may not understand their cause. *Perimenopause Please: The Psychological Impact of Perimenopause* takes an in-depth look at the perimenopausal process in the typical American woman. Other medical literature explores the physiological and the outward physical aspects of perimenopause, but *Perimenopause Please* is unique because it investigates the most important and often ignored aspect of perimenopause: its psychological impact. Women will learn how to anticipate and acknowledge the positive elements of this new stage of life with enthusiasm, as well as how to accept and manage the negative elements. It really does get better!

Capoeira evolved as a Brazilian martial art developed initially by that country's African slaves. Marked by deft, deceptive movements played on the ground or completely inverted, the form started gaining worldwide popularity in the early 20th century, when this second volume of Gerard Taylor's wide-ranging history

begins. The book opens with a study of the capoeira “Bamba,” Mestre Bimba, who became renowned as a fighting champion in Bahia and opened the first legal academy during the dictatorship of Getulio Vargas. Taylor investigates the dramatic development of the schism that resulted in the competing styles of Regional and Angola. Moving into contemporary capoeira, the author provides an overview of new trends, such as international encounters, long distance “mail-order mestres,” mass membership capoeira associations, cyber-capoeira, and grading systems. The book features the wisdom of a number of important mestres recounting their experiences teaching capoeira professionally around the world. In frank, inspiring interviews they talk about the highs and lows of the capoeira life, and how its lessons can enrich people’s lives. Photographs, illustrations, and an extensive glossary of terms illuminate the complex history of this fighting art.

A priest, a postie, a parish, a suburb, a city, a diocese, an unusual and deep friendship, a struggle to get a book published The Postie and the Priest is part biography, part philosophy, part social commentary, part theological reflection. Here is a fly-on-the-wall account of the daily life of an iconic Melbourne priest who has a deep passion for the battlers of his city, written by his postman who began by delivering his letters and ended up recording his life story. The stories from Fr Bob Maguire's life recall family events, life in the seminary, time as an army chaplain, work in various parishes, media connections and above all, his passion for the organisations he founded -Open Family and the Fr Bob Maguire Foundation - that give voice to his concern for the underprivileged and the homeless of Melbourne. The postie admires the priest and tells his story but this is as much the postie's story, giving us a unique insight into the history, characters and streets of South Melbourne that have shaped the lives of both men.

SOUND OF THE CROWD: A DISCOGRAPHY OF THE '80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Sound of the Crowd: a Discography of the '80s (Fourth Edition)

“Where Did My Life Go? Homeless and Out of Business” is by far one of the most raw, powerful, and engaging reads that I’ve come across in a long, long time. Author K.D. Sanders offers readers a very personal and unaltered look into his life, thoughts, and feelings as he underwent some very rough times as a homeless man while experiencing that many of us will never even come close to in our ordinary lives. I say this and the book may seem quite gloomy at first, but I also would say there’s another side to it – I interpret the book as having a sort of theme about personal redemption and keeping headstrong even through all the bad things

that life can throw at you. The author manages to keep his spirits high even while dealing with unfortunate circumstances and for that I admire his courage. As well as this, the text is written in a way that flows nicely due to a relatively relaxed undertone and there are plenty of general musings about the author's opinion on homeless life in general that I found to be very thought-provoking (and even sobering at times). Overall, I enjoyed the read and I found it to be honestly quite refreshingly new compared to what I've been coming across these days. Definitely worth checking out. - Amazon Review

In the early morning hours of Wednesday, 17th March 2005, St. Patrick's Day, Scott Lee Peterson arrived at San Quentin State Prison but he was not wearing green. He may have been a little green around the gills. He was reported not to have slept the night before, being too \"jazzed\" to sleep. He joined other inmates in California's sole death row facility. His case is currently on automatic appeal to the Supreme Court of California in San Francisco. This is the forensic numerological criminal profile of Scott Lee Peterson and a forensic analysis of Laci and their unborn eight months son Conner whom he murdered and whose bodies he dumped in the cold waters of the San Francisco Bay on Christmas Eve 2002. Also, an analysis of Amber Frey, his clandestine lover who turned police informant and star witness for the prosecution when she

discovered he was married and his pregnant wife was missing.

In many ways, Jim Durham has lived the same life all of us have lived. He was raised by imperfect parents, involved in good and bad relationships, experienced a range of religious influences, and worked hard to be the best person he could be. But a few critical experiences brought the essence of his life out of the shadows. A chance encounter led him to a college he couldn't locate on a map (although Durham claims there is no such thing as coincidence). The death of a son and the challenges of raising a special-needs child are just a few of the powerful influences on his writing. His decision to leave the full-time practice of law, start a new career, and eventually start his own business are all addressed in *My Fathers Writings*. You will learn lessons he learned, share in the struggles he endured. You will find references to writers and inspirational leaders ranging from Samuel Johnson, the Reverend Peter Gomes, and Wayne Dyer, to Ram Dass, Nelson Mandela, Buddha, and Jesus Christ.

My Father's Writings

We continue the brooding tale of a dark tragedy, and one man's search for redemption. We pick up the story as our "chosen ones" are attempting to find their way in life. Some of our characters are picking up the pieces of their shattered lives, while others have fallen by the way side and will have to be left behind. We will meet up with some old friends along the way. But we will also cross paths with a few fiendish ones, who would like nothing better than to destroy our glorious "chosen ones". It will be a battle of wills, a battle for hearts and souls, and ultimately, a battle for the ages, that will be played out from the vastness of the West Texas plains, to the majesty of the Rocky Mountains, across the East Texas grassland, all the way down to the steamy hill country, and the salt marshes of the coastal plain. Who will come to the forefront and emerge to pick up the torch ignited by our West Texas heroes, which still burns brightly on those green fields of yesterday? Who will prevail? Who will be the last one of our heroes left standing?
